## Manos, Martin & Pergram Recipient of 2015 Rock of Ages Organizational Recognition Award from SourcePoint

SourcePoint's 2015 Annual Celebration was held on Wednesday, Dec. 16. This luncheon event provided an opportunity for SourcePoint to recognize and thank those in the community who have contributed to the organization throughout the past year by generously giving of their time, talent, and treasure. The celebration included, among other items, recognition of over 15 major sponsors. Each year at the Annual Celebration, SourcePoint presents two very special awards called the Rock of Ages, which honor both an individual and a business that have provided long-term support and partnership to the organization. Manos, Martin & Pergram was proud to receive the 2015 Rock of Ages awarded to a local business. Below is an excerpt of the remarks used during the ceremony. On the back page of this Bulletin is the commendation the firm received from the Ohio Secretary of State.

To say that Manos, Martin and Pergram has had an on-going, long-standing commitment to SourcePoint would be an understatement. Whether through direct financial support, the offering of time and talent on our Board of Directors, sponsoring and volunteering time at special events, providing discounted legal fees, providing a free venue for meetings, or simply being a source of good advice and moral support, the firm and its employees have always been an advocate for SourcePoint and our members and clients. Manos, Martin and Pergram has supported our organization since our earliest days, when we were a new organization known as the Council for Older Adults. . . . As SourcePoint grew, the firm provided exceptional counsel and moral support, and became one of the first business sponsors of our efforts. . . . For many years this firm was a financial sponsor of the Council's original major outreach event, the Summer Festival. Not only did the firm commit funding to this event, its staff annually took its turn on the food service line, dishing up dinner at the Festival's Pig and Corn Roast. The firm has also been the original major Presenting Sponsor for an annual fundraising event for the Committee to Save Senior Services, which began in the late 1990s. . . . The firm's more than 20 years of support continues today as they continue as the Presenting Sponsor of our new Rock the Boat fundraising event hosted by SourcePoint each fall. Additionally, the firm provides discounted legal fees, authors a regular legal advice column for SourcePoint's newspaper, and provides free notary service for SourcePoint staff and clients. The firm's commitment to SourcePoint and the individuals we serve has been so strong and its impact so profound that the firm was recognized in 2008 by the Central Ohio Area Agency on Aging as the sole recipient of the Outstanding Service to Seniors Award for businesses in the 8-county region in central Ohio. Whether our need has been for legal counsel, participation on a committee, financial support, introduction to a potential partner, or even help donating and decorating a Christmas tree at our facility, Manos, Martin & Pergram's legal team and their family members have always been there for us and for the Delaware community. In recognition of Manos, Martin & Pergram's long term association with SourcePoint and their significant contribution to the success of our organization, I am pleased to present them with our 2015 Rock of Ages award.
