Three MM&P Attorneys Honored as 2021 Top Lawyers by Columbus CEO

Manos, Martin & Pergam is pleased to have three of its attorneys - Steve Martin, Denny Pergam and Andy Wecker - included on Columbus CEO's 2021 Top Lawyers based on their Martindale-Hubbell® AV® Preeminent™ rating.

Using the Martindale-Hubbell® peer review lawyer rating directory, Columbus CEO in July published its Top Lawyers 2021. The article stated that: "The ratings are driven by confidential opinions of lawyers and members of the judiciary who receive invitations from Martindale-Hubbell® to review lawyers with whom they have professional knowledge." For its list, Columbus CEO identified central Ohio lawyers who have been rated by their peers to be "AV® Preeminent™" - the highest peer review rating available. A very small percentage of reviewed attorneys receive the AV® Preeminent™ rating.

Martindale-Hubbell® lists Andy in Real Estate/Property Law and Business Law, Dennis in School/Education Law, Employment and Labor Law and Litigation, and Steve in Real Estate/Property Law, Business & Commercial Transactions and Zoning and Development.

Congratulations are in order to other Delaware County attorneys also listed: Anthony Heald, Delaware (Divorce and Separation); David Ison, Powell (Business Law); Michael Leizermann and Andy Young of Law Firm for Truck Safety, Delaware (Truck Accident Litigation); and William Thomas, Delaware (Attorney Malpractice).

You can view the full issue [here](#).

Congratulations to 3 Pillar Homes and Bob Webb Group

Congratulations are certainly in order to Zenios Michael Zenios and 3 Pillar Homes and to Bob Webb and Becky Webb Rogers and the Bob Webb Group for being selected, respectively, as Best Custom Home Builder and First Runner Up in Columbus CEO's 2021 Best of Business!

New Invoice Payment Feature

Recently, LawPay®, the firm's merchant provider for credit card payments, introduced a new feature. Beginning with our August invoices, we are including a QR code in the upper right corner. This QR code payment functionality offers our clients the ease and convenience of paying invoices directly from their mobile device. When scanned with a smart phone camera or using a QR code app, the firm's unique QR code will redirect clients to the firm's LawPay® payment page where they can enter their credit card information and submit payment instantly. Of course, clients may still pay by credit card by calling our office or using the link on our website, or by mailing a check.
